65th ANNIVERSARY LIMITED EDITION

The K702 Anniversary Edition headphones bring a new level of precision to the line with newly designed genuine leather headband and soft velour ear pads for maximum comfort during long recording or listening sessions. With its patented Varimotion two-layer diaphragm and revolutionary flat-wire voice coil, K702 delivers pristine sound with incredible impulse and treble response. K702's reference-style headphones boast an over-ear, open-back design, with extremely accurate response. Its sophisticated technology allows for spacious and airy sound without compromise.

HIGHLIGHTS

- » Limited Edition hand-crafted in Vienna, Austria with highest attention to detail
- » New soft genuine leather headband for maximum wearing comfort
- » Revolutionary flat wire voice coil for incredible impulse and treble response
- » Patented Varimotion two-layer diaphragm for improved high frequency range
- » Lightweight and comfortable for long listening / recording sessions
